THE PROJECT

FLOOR PLAN

FIRST FLOOR

CASOLARE GIOTTO

A beautiful home on two levels, with a garden facing Montalcino and every view from the house gives way to an infinite panorama of the Val D'Orcia.

On the ground floor, the area is open plan with a central floating staircase, which allows light to flow through the many windows on different aspects. On entering the property via the characteristic loggia (sheltered veranda) there is the dining and kitchen zone, followed by the living room beyond the stairs with a fireplace. A guest bathroom and small utility space is adjacent to the kitchen.

On the first floor, there are 2 double bedrooms with ensembles and large windows allowing the best views of the hills. The master bedroom has access to a private terrace/loggia where you will enjoy the starry nights.

The garden gives you amply space to fulfill your aspirations of a sunbathing terrace, pergola, and hydro pool.

The restoration will be carried out in harmony with its natural surroundings whilst giving the owner all the home comforts of an exclusive residence
